General Terms and Conditions of Fit T9 GmbH

§1 Validity of the General Terms and Conditions
These General Terms and Conditions apply to all contracts between Fit T9 GmbH and its members. Members are those persons who are entitled to use the Fit T9 Studios on the basis of a membership contract concluded with Fit T9 GmbH.

§2 Subject matter of the contract
The contractual partner (member) is entitled to use the Fit T9 GmbH premises during opening hours within the agreed scope. The house rules are binding for every member and can be seen in the respective current version on the premises of Fit T9 GmbH. The house rules contain, above all, regulations on the permissible use of the equipment/studio and on safeguarding the rights of other members.

§3 Term and termination of membership contracts
The membership contract is concluded with a fixed contract term, which can be found in the respective contract. Unless otherwise agreed in writing and the membership has not been terminated with a notice period of 1 month prior to the expiry of the contract term, the contract shall be automatically extended by 1 month after the expiry of the basic term. Notice of termination must be in writing and must be sent to the official business address of Fit T9 GmbH, Müllerstraße 36, 13353 Berlin, stating the membership number.

§4 Membership fees
The agreed membership fee is payable in advance and will be collected by SEPA direct debit authorisation, unless another method of payment has been agreed. If the collection fails for reasons for which the account holder is responsible, Fit T9 GmbH will charge an additional reminder processing fee of € 2.50 in addition to the bank charges incurred.
If the member is in arrears with the payment of two monthly fees, the studio may switch the direct debit to cash payment.

§5 Delay in payment/Studio ban
If the member is in arrears with the payment of three contributions, the subsequent contributions up to the next ordinary termination date shall become due immediately. In the event of late payment, the studio may assert a right of retention (studio ban). The assertion of the fees or the pronouncement of the studio ban shall not constitute termination of the contract. The member is entitled to use the services specified in the contract as soon as the outstanding debt has been settled and the studio no longer asserts a right of retention.

Furthermore, Fit T9 GmbH reserves the right to terminate the contract in due time in the event of two unsuccessful reminders and to demand the fees due up to that point through Inkasso Becker.

§6 Price adjustment right
The fees include the currently valid VAT rates. In the event of a statutory increase in VAT, Fit T9 GmbH is entitled to increase the membership fee.

§7 Changes to the contract
Changes of name, address and bank details must be notified to Fit T9 GmbH in writing without delay.

§8 Youths
Membership for young people before the age of 18 is only possible with the consent of their legal guardians. Membership for young people is only possible from the age of 15.

§9 Membership card/photo
The member receives a membership card from the studio. The cost of the membership card is included in the service fee. Access to the studio is only permitted on presentation of the membership card. If the member loses or damages his/her membership card, the member must pay € 10.00 to Fit T9 GmbH for the reissue of the membership card. Passing on the membership card to third parties is prohibited and € 50.00 will be due at the next settlement.

To ensure that the membership card is only used by the authorised person, identity checks are carried out when entering the studio. If the member has a photo taken of him/herself for deposit in our administration software, the identity check can be carried out via the deposited picture, otherwise via an ID check (official document with photo).
