- d) A brief portrait of your business for an "About" page. This should include a description of its *mission*.

We have designed the ideal training atmosphere for each of our clients. BeFit Gym Cottbus transforms into the most pleasant space for your training session with its 850m2 of trendy furnishings. Modern equipment that has received EU certification is all available. Because we place a high value on our clients' safety, we have chosen vinyl and rubber flooring that complies with EU fire and health regulations. Additionally, the gym offers a massage area, SPA and much more on its property that can satisfy the needs of its members by offering them: relief from stress, relaxation, a decrease in muscle stiffness and weariness after training, as well as injury prevention. We took care to design a spacious gym that is airy and bright, where you won't ever get fatigued. With us, you may receive professional guidance, a tailored plan, and the highest level of on-the-spot attention for personal or group training. We have a trainer that will look after you regardless of your objectives or level of athletic ability. Utilize your ability to the fullest in a stimulating environment that will never demotivate you. Choose a time that works for you, create a plan specific to your requirements with the assistance of our instructors, who are leaders in their fields, and begin training.

- e) Product, services and/or business activities, describing how they are to be supported by the new website.
